Saboreando una deliciosa comida atendido en un yate de lujo o si lo desea visitando cualquier de los famosos bares de playa a bordo de su propio barco.

**Día de navegación a vela** - Experimente la sensación de surcar el mar escuchando ton solo el casco del barco deslizándose sobre las olas y el viento sobre las velas. Tome el timón entre el cielo y el mar azul mientras el barco navega impulsado por el viento. No podemos olvidar que estamos al lado de un lugar mítico para los navegantes de vela “El estrecho de Gibraltar” disfruta desafiando las corrientes y los vientos acelerados entre dos continentes.

**Visita a Marruecos** - Tan cerca y tan diferente. Haga una visita a Marruecos con clase. Cruce el estrecho en yate con destino a Africa. Puede ir a Tánger o a Tetuán y visitar sus medinas, ir de compras pro el zoco, degustar la cocina marroquí, sentir el contraste cultural y de regreso relájese en su yate disfrutando de una atención de lujo.

## Suggested activities

**Day motor sailing** - Enjoy a relaxing day at sea, a trip along the coast sunbathing, stopping to swim wherever you chose. Savouring delicious food on a luxury yacht or, if you chose, visiting the famous beach bars aboard your own boat.

**Day sailing** - Experience the sensation of listening to the hull slicing through the waves with the wind in the sails. Take the helm between blue sky and sea whilst being driven by the wind. Lets not forget that we are in a mythical spot for sailors – the Straits of Gibraltar. Enjoy challenging the currents and increased winds between the two continents.

**Visit Morocco** - So close and so different. Make a stylish trip to Morocco crossing the strait by yacht to Africa. Visit Tangier or Tetouan with their medinas, go shopping in the souk, taste the Moroccan cuisine, feel the cultural contrast and relax on your return journey with luxury service.

**Gibraltar tour** - Enjoy sailing towards Gibraltar Strait, see the impressive views of the Rock from the sea followed by a viewing of the Rock from within with its tunnels from the Second World War. Live a piece of Great Britain in Andalucia.

**Dolphin watching excursion** - Go sailing with an expert skipper. Enjoy a trip in the Bay of Marbella in search of dolphins. After seeing the dolphins, anchor the yacht close to the beach to swim and have some sandwiches and refreshments.

**Fishing** - Enjoy a fishing day with your friends. We offer two types of fishing:

*Bottom fishing*: our skippers will take you to good fishing spots and will provide you with the equipment necessary, bait and professional advice.

*Trolling fishing*: searching for tuna. This is one of the big red tuna routes, as well as other types of tuna such as the yellow tail and dorado.

**Stag / Hen parties** - We have yachts available that will make your party a little different, enjoying a trip at sea with your friends, savouring the various menus on offer with music, drinks, swimming in the Mediterranean and the different optional activities that will make your party unforgettable.

## Información de Pesca Fishing information

Disfrute de un día de pesca con sus amigos. Le ofrecemos dos tipos de pesca - Pesca de fondo y Pesca de altura.

**Pesca de Fondo** - Nuestros capitanes les llevarán a zonas de buena pesca y le proporcionamos todo el equipo Necesario y el consejo profesional. Una vez en el área de pesca se fondea o se va derivando, se lanzan cuatro o cinco líneas con varios anzuelos. Las especies a pescar con este tipo de pesca serían:

- Dorada
- Sargo
- Congrio
- Lubina
- Pargo

Con este tipo de pesca hay capturas en un 95% de los casos.

**Pesca de Altura - Currican** - Estamos en una zona de paso del gran atún rojo, además de otros tipos de atunes como la albacora o el cola amarilla, también marlin blanco, llampuga, bonito y pez espada. Este tipo de pesca se realiza con el barco en movimiento, arrastrando los cebos, utilizando de cuatro a ocho cañas. La temporada buena va de marzo a septiembre. Hay que alejarse de la costa entre 15 y 35 millas.

Enjoy a days fishing with your friends. We offer two types of fishing – Bottom fishing and trawling big game fishing.

**Bottom Fishing** - Our skippers will take you to good fishing spots and you will be provided with all the necessary equipment as well as professional advice. Once at the fishing spot we anchor or drift then cast your lines with several hooks. The species of fish you are likely to catch with this style of fishing are:

- Sea bass
- Snapper
- Conger
- Bream
- Mackerel

There is a 95% chance of catching with this type of fishing.

**Trolling - Big Game** - We are in a passage for the giant red tuna, as well as other types of tuna such as the albacore and the yellow tail, also white marlin and sword fish. This type of fishing takes place with the boat in movement, 15 to 35 miles away from the coast, trolling the lures, using four to eight rods. The good season is from March to September.
