## PUERTO BANÚS & SEA ADVENTURE

---

Designed as an exclusive port for the international jet-set, Puerto Banús is today one of the most luxurious areas of the Costa del Sol

Puerto José Banús, more commonly known simply as Puerto Banús, is a marina located in the area of Nueva Andalucía, to the southwest of Marbella, Spain on the Costa del Sol. It was built in May 1970 by José Banús, a local property developer, as a luxury marina and shopping complex. It has since become one of the largest entertainment centers in the Costa del Sol, with 5 million annual visitors, and is popular with international celebrities. Developed around a coastal village in the Mediterranean architectural style, Puerto Banús contains high-end shopping malls, luxury boutiques, restaurants and bars around the marina.

Marbella enjoys a privileged climate - about 320 days of sunshine a year are estimated.

# Take a moment to enjoy the Mediterranean

We recommend you to leave your car in the Parking Saba Puerto Banús (*Location:* <https://qoo.gl/maps/nfd3zqKf4T8K51uu8>) and enjoy the experience of getting to know Puerto Banús by foot.

A stroll around the harbor takes us past luxury yachts and cars, as well enjoying the views from the restaurants and cafes. We recommend you take the walk to the end of the port where there is a lighthouse that signals the entrance to the port to the boats (*Location:* <https://qoo.gl/maps/q8YypssLxHr67hZf7>)

The best firms and designers have stores here, as well as three shopping centers, including the most profitable store in Spain, El Corte Inglés.

To enjoy the day, Puerto Banús has many sea activities and boat rentals with modern jet boats offering sun loungers, chill-out music and everything you need for a little luxurious relaxation.

If you have free time and you enjoy activities at sea, spending a whole day enjoying our good weather on a boat is a wonderful plan.
